**£3,995** O.N.O

2003 Land Rover Freelander Serengeti 2L diesel BMW engine Manual 94500 miles will rise ever so slightly with driving Been my pride and joy for near 2 years, cleanest and tidiest FL1 in all of Ireland for sale, put £3k into her when I first bought her, full clutch kit including flywheel, which has only done about 8k miles, then general work to ensure all electrics work 100% and any structural parts that had slight rust were changed to brand new, with all receipts. MOT for 7 months Both front and back electric windows work perfect and rear boot door electric windscreen works too. Never skipped a beat, even at 4am on a winter morning going to work, will be devastated to let her go but unfortunately will be driving far too many miles in a new job and don't want to run her into the ground. £3995 ONO Elliott-07719008155 (Text preferably due to work)
