SPECIAL EDITION KRYONITE BLUE!

Selling my cherished XF in this stunning and eye catching rare Kryonite Blue with full black pack. I am just the second owner and have owned the car since it was 2 years old. It has been a joy to own and drive, giving no bother at all. I have had it serviced as required by the dashboard notifications, initially by Hursts and subsequently by Stephen Groves, Jaguar specialist, Hillsborough. I had the detachable tow bar fitted which has only been used for the odd trailer run. It comes with both keys, 4 new tyres in April, space saver spare wheel (a rare find), full record of mot's and services, and is freshly mot'd until August 2025. There are no problems with the car at all, it's just time for a change. Any viewing, inspection and test drive welcome.
