June 2021 first registered. One keeper from new. VW T-Cross SE L 1.0 TSi 110ps petrol with 6-speed manual gearbox. Pure white paint. Mileage is 17,745 miles. CO2 132g/km. The condition and presentation of this car is superb. It has been kept to a very high standard of care and attention. On the exterior body panels there are no obvious visual scuffs, scores or blemishes on any of the panels. In fact there is no stone chipping sustained on the frontal panel sections. To be fussy we observe a score on the OSR door lower panel section - we have improved this mark. The 17 silver alloy wheels are in superb presentation - only the NSR alloy has 2x tiny chips on one of the alloy spokes - you will have to look closely to observe these marks. The NSF and OSF tyres are brand new Kumho premium brand. The OSR and NSR tyres are premium brand Goodyear with 5.00-5.50mm tread. With tyre inflation kit. The interior is in fabulous condition. We observe no signs of excess wear and tear on the grey cloth fabric upholstery. We observe no significant marks or wear on the cabin trim panels or plastics. Non smokers car. 2x remote keys are present. VW genuine textile floor mats are fitted. Sale will include 12 months warranty and 12 months breakdown assistance. The vehicle infotainment system notifies of oil service due in 6,100 miles. As we are unable to validate the service history of this car, we will complete a comprehensive service prior to handover to the new keeper
