The presentation of this car is very good. On the exterior body panels there are no obvious visual scuffs, scores or dents. To be very fussy we observe some minor stone chipping on the NSF and OSF bumper sections - we have improved the more obvious chips. These are the extent of any more obvious visual imperfections. The 18 diamond cut alloy wheels are in excellent condition. The NSF, OSF and NSR alloys are in perfect presentation, without any curbing marks or blemishes. The OSR alloy does have some minor corrosion on the inner grey spoke sections. All four tyres are brand new. With space saver spare wheel kit - this has never been used. The interior is in super presentation. We observe no signs of excess wear and tear on the cloth/leather upholstery. There are no obvious marks or damages on the cabin trim panels or plastics. Non smokers car. 2x remote keys are present. Textile floor mats are fitted. Sale will include 12 months warranty and 1 2months breakdown
