Fuel Type:	Petrol
Transmission:	Automatic 6 speed
Colour:	Grey Interior with Walnut Dash
Engine Size:	2967
Body Style:	Saloon
Reg:	LXZ9660

2004 XJ6 Jaguar, Only 2 previous owners, best colour combination in Jaguar classic blue with grey interior and walnut dashboard, chrome trims, 6 speed automatic transmission with Jaguars superb air suspension give an exceptionally comfortable ride, vehicle has recently passed M.o.T. with no advisories, still in weekly use so mileage will increase modestly until sold, I have owned this Jaguar now for over 3 years and am selling because I have bought an XJ8 to replace it, the vehicle has been well maintained by an independent Jaguar specialist with service and MOT records available, the previous owner was a Jaguar enthusiast, this vehicle is well worth viewing, luxury driving and classical looks at a bargain price. Acceleration 0-60 in 7 seconds, top speed 145mph!, annual tax only £345, 28/30 mpg depending on how you drive it!
