Engine Power BHP:	114BHP

Ford focus estate.

This car was owned by MOD (Mil. Police) and has a very detailed service history to over 80K

Car is a cheap 2014 estate. It is driving faultless and has just had a full service. No rattle or noises and is doing over 60MPG! Its driving perfect and is very comfortable and is a spacious car.

Good alloys and tyres etc are all good too.

The car is no show pony - it has a few age related marks, as its a ten year old car, at handy money. Two wheel arches have some paint flaked (nothing serious), but worth noting.

NO TIME WASTERS

For sale to serious buyers

- no deposits or holding.

It will be sold to first person with the funds to pay for it.
