# £15,999

NI REG LEAF E+ LONG RANGE

For Sale: Nissan Leaf 160kW e+ Tekna 62kWh 5dr Auto - Low Mileage, High Value Discover the future of driving with this 2019 Nissan Leaf 160kW e+ Tekna, a standout in the world of electric vehicles. With only 22,734 miles on the odometer, this car combines low mileage with a wealth of features and an exceptional driving experience. Extended Range with the 62kWh Battery At the heart of this Nissan Leaf is its powerful 62kWh battery, which provides a substantial upgrade from the standard models. This larger battery pack delivers a remarkable range of up to 239 miles on a single charge, making it perfect for both daily commutes and longer road trips without the frequent need to recharge. The 160kW electric motor ensures a smooth and responsive drive, delivering instant torque and a quiet, refined ride. Top-of-the-Line Tekna Trim As a Tekna model, this Leaf comes loaded with premium features designed to enhance comfort, safety, and convenience: - ProPILOT Assist: Advanced driver assistance for stress-free motorway driving, including adaptive cruise control and lane-keeping assistance. - 360-Degree Camera System: Provides a bird's-eye view for easier parking and maneuvering. - Premium Bose Sound System: Enjoy crystal-clear audio with this high-quality speaker system, perfect for music lovers. - Heated Front and Rear Seats: Stay warm and comfortable on those chilly days with heated seats for both front and rear passengers. - Heated Steering Wheel: Adds an extra touch of comfort during cold weather. - Intelligent Around View Monitor: For enhanced visibility and parking ease, coupled with rear cross-traffic alert. - Leather Upholstery: High-quality leather seats add a touch of luxury to your driving experience. - Full LED Headlights: Bright and efficient, these headlights improve
