£8,990

The Ignis is a well-priced, well-equipped, fun to drive and spacious city car with hybrid-efficiency and light off-roading USPs: it's a real unsung hero among the usual small car suspects. Add to that its utterly loveable design and character and you've got one of the most compelling little runabouts on sale. The fact an AWD can fill the void left by the Jimny - with much, much better road manners and fuel efficiency to boot - only adds a string to the little Ignis's bow.
