

Audi TT 1.8 T Quattro 2dr [225] | Mar 2005**AMAZING CONDITION, TIMING DONE, LONG MOT****£1,950**

Thanks for looking at my advert for this Audi TT Mk1 225.

In excellent condition for its age, the car has a full Audi main dealer service history until 58000 mile with independents after that. The last stamp in the book includes the timing and suspension work at 117k (see photos) and the MOT runs til March 2025.

Since 2017 it's been owned by an enthusiast who has upgraded the suspension all around as well as a range of upgrades:

KONI adjustable shocks and springs
 Eibach front and rear uprated anti roll bars
 AIRTEC front mounted intercooler
 Cat back SCORPION exhaust with carbon fibre ends
 Turbo boost guage

The rear seat has been deleted (no good for anything practical anyway!) and replaced with an amp and woofer the size of a small submarine.

Michelin Pilots all around with excellent tread on the rear and good on the front.

This wee car is absolutely class fun and would make an ideal project for track conversion or simply a brilliant and fun weekend car.

Or a mobile disco!
