

## Land Rover Freelander 2.2 TD4 GS 5dr | Mar 2011

# £6,250

LOW PRICE FOR 1WK -VGC FSH 53K

Car being traded in next week if not sold this week at this lower price. This Freelander has had two lady owners from new; the current owner since 06/14. During current ownership the car has been used almost entirely up and down the A1, limiting wear and tear. It has never been used for towing. The service history is complete and only via 4x4 specialists - Charles Hurst (5 stamps), Whitemountain Land Rover Centre (3 stamps) and BLRC (4 stamps). All invoices / mots etc are included in a comprehensive history file. Every mot has been passed first time and there has never been an advisory recorded. The current mot expires 03/25. In addition to regular annual servicing the 2021 (10 year but only 42k) service included timing belt, water pump, gearbox oil and coolant changes. Finally, in 07/24, the transfer box was replaced as the original was noisy (a common failing apparently). The car is in very good condition inside and out, as you would expect for the very low 53k confirmed mileage. No dents and very limited stone chips. On a minor note, one alloy could do with a front face refurbishment, as shown in the photograph.
