his is my Volvo D3 R Design(163BHP) which has had one registered owner from new as it was originally a Volvo demo. It has a full year of MOT - Aug 2025 and had a full service carried out before the MOT. It genuinely drives like a car with 50 k miles - no rattles etc. It is fully loaded with a digital TV, dvd player, adaptive cruise control, blind spot detection, xenon lights, driver alert arc, which are only a few of the accessories which I can list.
