

## Jeep Grand Cherokee 3.0 Crd Overland 5Dr Auto | Aug 2019

# £24,761

### FULL JEEP SERVICE HISTORY

With a powerful 3.0 CRD engine this Grand Cherokee is available now at our Carles Hurst Dealership in Belfast.. Give Nigel a call now or send us an email and we can send you a bespoke walk arround video on this Jeep.1. Engine and Performance: Engine: The Overland CRD is powered by a 3.0-liter V6 turbodiesel engine (produced by Mercedes-Benz and used in various Chrysler and Jeep models). Power Output: Around 240 horsepower and 420 lb-ft of torque (varies slightly by model year). Fuel Economy: Diesel engines generally offer better fuel efficiency than gasoline engines, so the CRD version of the Grand Cherokee is more economical, especially on long-distance drives or for towing. Towing Capacity: Diesel engines typically excel in towing, and the CRD version of the Grand Cherokee can tow up to around 7,400 lbs, making it a good option for heavy-duty tasks like hauling trailers, boats, or off-road gear
