

Audi A1 1.4 TFSI Competition Line 3dr | Jan 2012

**** REDUCED ****

Presenting this Audi A1 Competition Line with its 1.4 TFSI petrol engine and its eye-catching looks harking back to AudiSport's rally livery of the early 80s.

This unique look continues inside the car with floor mats, centre console and rear view mirror trims bespoke to this model when new.

Serviced and MOT'd to May 2025

With cars of this age, there are some bad points to make any perspective buyer aware of.

Firstly, while it is expected to find some bodywork defects due to wear and tear, the most obvious are marks and a dent on the bonnet. There is also a minor crack on the rear bumper.

The alloy wheels could do with a refurb and one of the wheels is missing its centre cap.

All of these have been considered in the asking price. Selling on behalf of a friend. One Key.
