Acceleration 0-100 km/h:	4.6s
Engine Power BHP:	335.3BHP

Great driving car and selling due to having my eye on another car. The M-Performance LSD was bought brand new and fitted less than 5000 miles ago and has been serviced since. One of the best mods to make to these M-Lites, completely transforms how they drive and is a must.

Private Registration not included.
