Recent Service: 01/07/2024

This is a great car that's been well looked after since purchase from VW dealership in 2016. The timing belt was replaced last year at 63,175 miles, so you don't have to worry about that for a while. It's got a clean interior with new floor mats and a recent valet. Air conditioning works very well. Smoke-free and pet-free home. I'll be sad to see this car go!
