For Sale - Is this stunning 2011 EVO 10 imported from Japan 2016 - It has been very well looked after and maintained by it's 3 owners. I have owned the car for 4 years only selling on to fund a new adventure - Has a Part dealer service history and will be serviced and fully mechanically prepared prior to sale. It will also be supplied to its next owner with a July 2025 MOT - This stunning example looks fabulous presented in red and cosmetically is in great condition considering its age and mileage. This car rides on 10 by 18"JR3 alloy wheels in satin black 4 new nexen tyres. The interior, upholstery, carpets and roof lining are showing no real signs of wear and the boot is clean and tidy. Upgraded exhaust Cat back, EMS performance air filter, lowering springs fitted and aftermarket pioneer touchscreen multimedia player with Bluetooth USB DAB + Aerial, upgraded with some carbon fibre - The car is completely HPI clear having no outstanding finance and has not been stolen or subject to an insurance loss either. Its mileage is also verified as completely genuine. The buyer will be supplied with its V5 registration document, service history, MOT certificate. No trade in or swaps. No silly offers. Price - £17,500
