**FULL SERVICE HISTORY, AUTOMATIC**

This is Toyota's self-titled flagship petrol, diesel or hybrid large family SUV that was launched (in rather more svelte form it must be said) back in 1994 and is now in its fifth generation and we must say probably the best generation. The hybrid option was new on the fourth-generation car, but what this latest RAV4 brings to the party is a plug-in hybrid option for the first time, with up to 46 miles of official claimed range. If you want a SUV with bullet proof reliability and distinctive posh looks then you really can't do much better! Fusco Vehicle Sales - North Down's largest used car dealership.
