This SEAT Leon 1.4 eHybrid FR 5dr DSG with 29,071 miles is a fantastic choice for those looking for a dynamic and efficient compact car. The 1.4 eHybrid powertrain combines a petrol engine with an electric motor, providing both impressive fuel efficiency and the ability to drive in fully electric mode for short distances, ideal for city driving or reducing emissions. The FR trim level is sportier, offering enhanced driving dynamics and a more aggressive exterior design. Key features include sport seats, a flat-bottomed steering wheel, and unique FR badging that sets this model apart. The DSG automatic transmission delivers smooth and responsive gear changes, complementing the hybrid system's efficiency. Inside, the Leon offers a high-quality cabin with a digital cockpit, a large touchscreen infotainment system with smartphone integration, and various driver assistance features like adaptive cruise control, lane assist, and parking sensors. This vehicle has been well-maintained and remains in excellent condition, providing a great balance of performance, economy, and modern technology. It's a versatile and stylish option for those seeking a reliable and environmentally conscious vehicle without compromising on driving enjoyment
