We've got over 70,000 positive reviews

This Jeep Compass 1.4 Multiair 140 Limited 5dr [2WD] with 30,500 miles is a fantastic choice for anyone looking for a stylish and capable SUV that combines on-road comfort with Jeep's renowned ruggedness. The 1.4 Multiair engine offers a good balance of power and efficiency, making it suitable for both urban driving and longer journeys. The Limited trim level brings a host of premium features that enhance both the driving experience and the overall appeal of the vehicle. The exterior is characterized by Jeep's distinctive design cues, including the iconic seven-slot grille, sleek headlights, and bold body lines that give the Compass a strong and confident presence on the road. Inside, the cabin is well-appointed with high-quality materials and thoughtful touches, including leather upholstery, a leather-wrapped steering wheel, and advanced technology features. The 8.4-inch Uconnect touchscreen system includes navigation, Apple CarPlay, and Android Auto, ensuring you stay connected and entertained on the go. Dual-zone climate control, heated front seats, and a power-adjustable driver's seat add to the comfort and convenience. Safety is also a strong point, with features such as rear parking sensors, a reversing camera, lane departure warning, and adaptive cruise control coming as standard, making this Compass not only stylish but also reassuringly safe. With its combination of Jeep's off-road heritage and modern on-road refinement, this Jeep Compass Limited is a versatile and appealing SUV that is ready to take on any adventure you have in mind.
