Optional Equipment: Technology package, Parking Pack Advanced, BOSE surround system, Pearl Effect paint, Black styling package, Privacy glass, Daytona Grey, pearl effect, S line Sports suspension.

Currently sitting on 67,500 miles, which will raise due to it being my daily driver. The mileage is supported by a 5 stamp history including 3 Main dealer visits. Tyres have good tread depths across all four corners.

The car is due a service, which I am more than happy to carry out (invoices included) to be included with the sale of car. If you prefer, you can carry this yourself and we can factor it into the price of the car.
