The Volkswagen Tiguan has classy looks and a premium cabin that set it apart from the family SUV norm. Volkswagen knows that the only way is upmarket for conventional family cars. This class is on the up, so it needs to focus on rivals such as BMW and Mercedes, rather than Ford and Vauxhall. Luckily for Volkswagen the Tiguan is a more convincing alternative to these brands than ever. It's got the quality, refinement and technology to compete with the best, even if it lacks the badge prestige. Fusco Vehicle Sales - North Down's largest used car dealership.
