

Seat Toledo 1.6 TDI Ecomotive SE 5dr | Jul 2014 79K MILES- SAT NAV- BIG BOOT

£4,700

Selling my seat toledo, bought in Feb 2020 and driven mostly motorway miles to and from work since with odd childcare pickup. Selling due to family getting bigger and I just fancy a change. Have had the car 4 and a half years and it's served me well.

Car has sat nav, Bluetooth, nicer interior than others, and kept in good condition.

Interior has just been valeted and is in great shape, exterior has a few minor scratches but can be buffered out.

Priced a lot cheaper than others, almost a grand less than similar on here. I've factored in a timing belt change and a service plus extra for the hassle.
