

BMW M3 M3 2dr | Jun 2002**M3 E46****£15,995** O.N.O

BMW E46 M3 finished in stunning steel grey. This car is in superb condition for the age and mileage and has covered 4000 miles in my ownership of 4 years. It comes with full stamps in the service book and it is evident that it has been very well looked after.

Everything in the car works as it should. Wheels and tyres are all in great condition. The SMG gear box was reconditioned two years ago. The car drives extremely well with the very characterful, raspy straight six engine providing a fantastic soundtrack. The handling is also on point, making this a hugely engaging and rewarding car to drive. Excellent bodywork, Grey Full leather interior. Next MOT due 20/03/2025, Full service history, Grey, 5+ owners, £15,995
