This is quite simply the best value family estate money can buy!  
This car features an incredibly large boot that would quite easily trump most larger estate cars.

The roof bars offer even more practicality.

This engine features a turbo so is capable when fully loaded. This car will easily return over 50mpg and does feature an 'Eco' button which helps increase efficiency.

The interior is very clean and the exterior is very good.

Quite simply, you will not find a better value 2014 family estate in the condition for the money!

Reluctant sale. 1st to see will buy.
