

Porsche Cayenne 5dr Tiptronic S | Jul 2006**FSH AND MOT UNTIL AUGUST 2025****£4,800** O.N.O

Great example of a brilliant 4x4. Proper ground clearance, locking diffs. Uncommon V6 petrol version, on reliable springs not air suspension. Cayenne S Has had Porsche or Porsche specialist servicing throughout its life. Last serviced by McMillan Porsche in March of this year. MOT through until August 2025. New battery, plenty of tread on the tyres. I've had it for four years and it has had everything it has needed. Paperwork showing all work done in last four years - >£6k of love! Has a professionally fitted updated Pioneer head unit with Apple CarPlay and (I think) Android Auto. Bose speakers, really excellent sound with full integration with steering wheel controls.
