

**TESLA Model 3 Standard Plus 4Dr Auto | Jan 2021****£19,999****PERFORMANCE AND COMFORT**

The Tesla Model 3 Standard Plus 4dr Auto is a popular choice in the electric vehicle (EV) market, known for its cutting-edge technology, impressive range, and performance.

- Electric Powertrain Zero Emissions:** As an all-electric vehicle, the Tesla Model 3 produces zero tailpipe emissions, making it an environmentally friendly choice and eligible for various incentives and tax breaks. **Instant Torque:** The electric powertrain delivers instant torque, resulting in brisk acceleration and a responsive driving experience. **Impressive Range:** The Standard Plus variant offers a substantial range, making it suitable for daily commuting and longer trips without frequent charging stops.
- Advanced Technology Autopilot:** Tesla's Autopilot system provides advanced driver-assistance features, including adaptive cruise control, lane keeping, and traffic-aware cruise control, enhancing safety and convenience. **Over-the-Air Updates:** The Model 3 receives regular software updates, adding new features, improving performance, and keeping the car up-to-date without needing to visit a service center. **Minimalist Interior:** The cabin features a clean, minimalist design dominated by a large central touchscreen that controls almost all of the car's functions, creating a futuristic and uncluttered environment.
- Performance Quick Acceleration:** The Model 3 Standard Plus offers swift acceleration, with 0-60 mph times comparable to traditional sports sedans, providing an exhilarating driving experience. **Smooth and Quiet Ride:** The electric powertrain ensures a smooth and quiet ride, with minimal vibration and noise compared to internal combustion engine vehicles. **Low Center of Gravity:** The battery placement under the floor gives the Model 3 a low center of gravity, improving handling and stability, particularly in corners.

Safety Top Safety Ratings: The Model 3 has received top safety ratings from various institutions, thanks to its rigid structure, low center of gravity, and advanced safety features. Collision Avoidance: The car comes with multiple safety systems, including automatic emergency braking, collision warning, and blind-spot monitoring, all contributing to a safe driving experience. Driver Assistance Features: Autopilot, combined with Tesla's advanced sensor suite, adds an extra layer of safety by helping to avoid accidents and reducing driver fatigue. 5. Ownership Benefits Lower Running Costs: With no need for gasoline and fewer moving parts than a traditional car, the Model 3 offers lower maintenance and running costs. Electric charging is also generally cheaper than fueling with gasoline. Charging Network: Tesla's extensive Supercharger network makes long-distance travel convenient, with fast-charging stations available across the country. High Resale Value: Tesla vehicles typically retain their value well, thanks to the brand's reputation for innovation and the increasing demand for electric vehicles

## Vehicle Features

2 high-powered USB ports and 1 USB port in glove compartment, 2 zone climate control, 3x3 point rear seat belts, 6 airbags - Driver, 12-way power adjustable heated front seats, 15" Touchscreen, 60/40 split folding rear seats, 360 camera, ABS, Adaptive cruise control, Adaptive steering, Air Conditioning, Alarm, Audio remote control, Audio system with 8 speakers and limited Immersive Sound, Auto dimming, Automated High beam assist, Automatic emergency braking and collision avoidance, BLIS (Blind spot information system), Bluetooth Connection, Body coloured bumpers, Centre console with inductive charging mats for 2 smartphones and microsuede wrap, Compatible With Apple Carplay or Android Auto, Cruise Control, curtain and side airbags, Custom driver profiles, DAB Digital radio, DVD System, Electric Door Mirrors, Electric front windows, Electric hinged side doors - front, Electric hinged side doors - rear, Electric Seats, ESC - Electronic Stability Control + traction control, ESP, FM radio and media over bluetooth connection, Front & Rear Parking Sensors, Front armrest, Front compartment with sliding lid, Front cross traffic camera, Front head restraints, Front parking sensor, front passenger, Heated Windscreen, Immobiliser, Interior carpeting, Isofix child seat anchor points, Keyless Entry, Keyless entry and remote climate control with app, Keyless Start, Lane departure warning system, LED daytime running lights, LED Headlights, Map reading lights, Matt black interior trim, Media storage, Metalised scroll wheels on steering wheel, Mobile telephone preparation, Music, Panoramic sunroof, Park assist camera, PAS, Power adjustable steering wheel, Power boot lid, power folding

and heated side mirrors, Premium heated seating and cabin materials throughout including open pore wood decor and two rear USBs, Premium seat material upholstery, Rear cross traffic camera, Rear electric windows, Rear headrests, Rear parking sensor, Remote central locking, Reverse parking aid, Satin black exterior trim, Satin black sill plates, Seat controls in graphite finish, Service indicator, Standard maps and navigation, Steer-by-wire technology, Steering wheel mounted controls, Sunvisors with magnetic attachment, Tinted glass roof with ultraviolet and infrared protection, Traffic sign recognition, Trip computer, Tyre pressure monitor, Voice activated controls
