Good points:

Very good service history with the book fully stamped up to 144k miles.

Last serviced in July 2024 AEC Motors.

Very reliable, presentable condition for the age & mileage.

Bad points :

Aircon doesnt blow cold.

Used as a 2nd car, I was going to keep it and spent £450 on recent work. Its only done 1k miles last year and less than 40 since the MOT so its not sensible to stay.
