"Reference: FMZ2652. Nissan Belfast are offering a rare opportunity to own this NISSAN LEAF 110kW N-Connecta 39kWh 5dr Auto. This 1 owner vehicle has full service history, was supplied by us too. Since being returned to us it has been fully checked over by our fully trained, experienced and skilled technicians and is ready to go.

The Nissan Leaf 110kW N-Connecta 39kWh 5Dr Auto is an electric vehicle (EV) known for its practicality, efficiency, and advanced technology. This mid-range trim offers a good balance of features and value, making it a popular choice for those transitioning to electric driving. Here's a detailed breakdown of its key features:

Electric Motor: The Leaf is equipped with a 110kW (equivalent to about 147 horsepower) electric motor, providing instant torque and smooth, responsive acceleration.

Battery: 39kWh lithium-ion battery which powers the electric motor and provides a real-world driving range suitable for daily commutes. The battery typically offers a range of up to 168 miles (270 km) on a full charge, depending on driving conditions and habits.

Transmission: Single-speed automatic transmission, which is standard in electric vehicles, offering seamless and quiet operation.

Drivetrain: Front-wheel drive, which is standard in electric vehicles, offering handling and stability.

Charging: Charging Options: The Leaf can be charged using a standard 3-pin domestic socket or a dedicated home charger (7kW), as well as at public charging stations. The vehicle is supported, allowing the battery to charge from 20% to 80% in about 60 minutes. Charging Ports: The vehicle is equipped with both Type 2 and CHAdeMO connectors, making it compatible with various charging networks.

Design and Exterior: Body Style: 5-door hatchback with a compact yet spacious design, making it easy to maneuver in urban environments. N-Connecta Trim: This trim includes multi-colored mirrors with integrated indicators, and LED daytime running lights, optimized for aerodynamic efficiency, helping to maximize range and performance.

Technology: Seating: The N-Connecta trim features high-quality cloth upholstery, with comfortable seating for five passengers. The driver's seat is height-adjustable for added comfort. Infotainment System: An 8-inch touchscreen with NissanConnect EV, supporting Apple CarPlay, Android Auto, and navigation. The system also provides access to EV-specific features, such as range management and nearby charging station locations. Digital Instrument Cluster: A 7-inch digital display in the instrument panel shows key information, including range, battery status, and driving data.

Vehicle Features
