7 SEAT AUTOMATIC, NI REGISTERED

With a complement of desirable features, standard all-wheel drive, and an upscale-but-rugged appearance. The Land Rover Discovery Sport is a distillation of the brand's go-anywhere-in-comfort ethos. The Discovery Sport's off-road driving modes, hill-descent control, and wading sensor system provide more off-road capability than you'll find in an Audi Q5 or a Porsche Macan. Its cabin is spacious and offers an optional third row of seats at an additional cost (well worth the money in our book) and its environs are as refined as what you'll find in the BMW X3 or the Mercedes-Benz GLC-class. Still, for buyers who want considerable off-road capability wrapped in a stylish package, the Discovery Sport is one of the few choices in this mostly on-road-focused segment that you can look on proudly standing in your driveway.
