

## BMW 1 Series 118d M Sport 5dr | Sep 2010

SPACE GREY, VERY GOOD CONDITION

# £2,750

For sale is my 2010 BMW 118d in space grey with 153k. I have owned the car for 5 years and it has been brilliant in that time, very economical and reliable. Selling only due to recent upgrade.

The condition is well above average for this age of car as it has been regularly washed, detailed, valeted and protected for winter months.

It has had a lot of work carried out over this time most notably including full suspension refresh with new arms, new top mounts, new crankshaft pulley, new caliper, discs and pads and many other bits and pieces as well as being regularly serviced.

It has MOT until March 2025 and is ready to get in and drive. Everything works including ice cold air con and electric bolster seats. It is a very solid car on the road and has never let us down in the time we have had it.

Please no offers or time wasters prior to viewing the car

Price is 2750ono
