

Ford Focus 1.0 EcoBoost Hybrid mHEV 125 Titanium Edition 5dr | Mar 2021

£13,500

Introducing the sleek and stylish 2021 Ford Focus Titanium Edition Hatchback. This stunning silver beauty is a perfect combination of modern design and cutting-edge technology. With only 31,306 miles on the clock, it's practically brand new and ready to take on all of life's adventures. Under the hood, you'll find a fuel-efficient 1.0T EcoBoost engine with MHEV technology, providing a smooth and responsive ride. But what truly sets this car apart is its impressive features. The Ford SYNC3 DAB Navigation System will guide you to your destination with ease, while the 16-inch alloy wheels add a touch of sophistication to the exterior. As you slide into the driver's seat, you'll be greeted by the luxurious heated front seats, perfect for those chilly mornings. And with the front and rear parking sensors, you'll have no trouble maneuvering into tight spots. The Quickclear heated windscreen ensures you'll never have to wait for your car to defrost on a cold day. But that's not all, this Focus also comes equipped with lane-keeping aid and lane departure warning, keeping you safe and alert on the road. Stay connected with the FordPass Connect feature, allowing you to control certain functions of your car from your phone. The DEATC dual-zone electronic automatic temperature control ensures you and your passengers are always comfortable, no matter the weather outside. And for those long drives, the cruise control with speed limiter will make sure you arrive at your destination feeling relaxed and refreshed. With its sporty V-shaped seats and high bolsters, the front seats provide both comfort and style. And with a spacious 5-seater interior, you'll have plenty of room for all your friends and family. Don't miss out on the opportunity to own this exceptional 2021 Ford Focus Titanium Edition Hatchback.
