This 2005 Audi A3 Sport TDI 1.9 is the perfect blend of performance, efficiency, and style. Powered by the reliable 1.9L TDI engine, this 5 door hatchback delivers impressive fuel economy without sacrificing power, making it ideal for both city driving and longer commutes. Ideal for motorway driving. *Just passed MOT with no minors. Key features include: 5-speed manual transmission Air conditioning Car computer, trip/range etc. Factory-fitted CD player Electric Windows Heated wing mirrors Split-folding rear seats for extra cargo space Good boot space The car has a clean history, with no major accidents and only minor cosmetic wear expected for its age. The mileage reset when a battery was input. So best estimate, it's done 170000 miles. 120,000 from previous owner and 50,000 from myself. It is an older car, so it does have some rust on the body, and some other minor bits. But runs great and would be a great car for the money. The car has never missed a beat since I had it. Occasional maintenance due to the age. Otherwise a great bargain. Selling due to acquiring newer car. Please message and I will get back to you. No tyre kickers, serious offers only. Thanks

Vehicle Features
