My gorgeous mini is up for sale,

you won't find another of its age in this condition, 2012 with just 54 thousand miles, full service history and anything the car has needed it has got, all invoices and service history to go with car, MOT valid for another 3 months and i have booked another appt in Oct and will come with the car which is serviced and ready to go, including a full tank of fuel with the car, I also put 4 brand new cross climate tyres on the vehicle back in may at over £600

this is a fun car to drive and we'll looked after, reason for sale is I have bought another mini, I'm in no rush to sell the car as can

use it as a second vehicle but it's available to go when ever it suits the buyer,

you will have no issues and if you look after the car like I did then it will last you a life time, minis is for life

Thanks

David
