The DS 3 Ultra Prestige Electric is a premium, fully electric compact SUV that combines luxury with cutting-edge technology. It features a 50 kWh battery, offering a range of up to 200 miles (WLTP) on a single charge, making it ideal for urban and suburban driving. The Ultra Prestige trim stands out with its refined design, including chrome accents, distinctive LED lighting, and 18-inch alloy wheels. Inside, the cabin exudes sophistication with premium leather upholstery, ambient lighting, and a 10.3-inch touchscreen infotainment system featuring Apple CarPlay and Android Auto. Advanced safety features like adaptive cruise control, lane-keeping assist, and emergency braking enhance the driving experience. Fast charging capability allows the DS 3 to recharge up to 80% in about 30 minutes with a rapid charger. The DS 3 Ultra Prestige Electric offers a blend of elegance, efficiency, and modern technology for eco-conscious drivers.
