Lovely Nissan Juke, well maintained and MOT not due until Jan 25. Interior is showing no signs of aging. Paintwork in good condition.

The 2017 Nissan Juke N-Connecta 1.2 DIG-T is a stylish and compact SUV that stands out for its distinctive design, spirited performance, and advanced technology. This model is an excellent choice for drivers who want a fun-to-drive vehicle with a bold personality and modern features.

Equipped with a 1.2-liter DIG-T petrol engine, the Juke delivers 115 PS, providing a lively and responsive driving experience. The turbocharged engine offers a good balance of power and efficiency, making it suitable for both city driving and longer journeys.

The N-Connecta trim level is packed with a host of features designed to enhance comfort, convenience, and connectivity. Inside the cabin, you'll find a modern and ergonomic layout, complete with high-quality materials and ample seating space. Key features include a 5.8-inch touchscreen infotainment system with satellite navigation, DAB radio, Bluetooth connectivity, and a reversing camera, making every drive more enjoyable and

stress-free.

Safety is a priority in the Nissan Juke, and the 2017 N-Connecta model is equipped with a comprehensive range of safety features. These include multiple airbags, anti-lock braking system (ABS), electronic stability control (ESC), and a tire pressure monitoring system, ensuring peace of mind for you and your passengers.

The exterior design of the Juke N-Connecta is unmistakable, with its bold lines, high wheel arches, and sporty stance. The SUV's compact size makes it highly maneuverable in urban environments, while its elevated driving position provides excellent visibility and a commanding view of the road.

Overall, the 2017 Nissan Juke N-Connecta 1.2 DIG-T is a fantastic compact SUV that offers a unique blend of style, performance, and technology. Its combination of advanced features, fun-to-drive nature, and striking design makes it an appealing choice for drivers looking for a distinctive and versatile vehicle.
