**Number Of Gears:** 8 SPEED

**Top Speed:** 140MPH

**Acceleration 0-100 km/h:** 8s

**Engine Power BHP:** 187.7BHP

Car has passed mot on 31/08/24 with no minors so has full a year.

20 inch diamond cut alloy wheels bought new about 6 months ago from AutoAlloys Magherafelt, brand new tyres fitted the same time as alloys, costing over £1000 in total.

Recently had a premium valet with foyleside valet centre in Derry including the graphene coating which offers extensive paint protection, no need to wax after washing.

New front splitter just fitted.

Full black leather interior including heated seats and all black headlining, a very nice touch to the Msport edition. Also comes with led daytime running angel eye headlights which is one of the nicest features of any BMW.

Black tinted rear windows (done professionally)

All around parking cameras and sensors with park assist.

Some service history came with this when I bought from Greg Mitchell motors in 2023, any work I got done since then I have the invoices for, these are for servicing and had the break pads and discs done too, it has never needed anything else during my ownership. This has been a very reliable and enjoyable car to own.

The automatic transmission is the ZF 8 speed gearbox, gear changes are smooth and driving is incredibly economical without

even having the eco mode selected. Low insurance bracket too!  
All in all this is a beautiful car inside and out, very nicely finished and needs nothing. Since owning this I haven't seen any others like it on the road, it's a head turner for sure.

My reason for sale is I've now changed to a 4x4 which is more suited to my needs.

Cash only sale please no p/x

## Vehicle Features
