Car runs and drives great, engine is perfect, really solid underneath, very minimal rust as can be seen in the photos, been kept in a shed. Very sad to see it go but it's just not practical to own anymore.

Paint has been polished and looks great with just a few scratches from previous owners. Headlights have been restored. Both roofs' seals are all good but latches need some adjusting and the hardtop has some lacquer peel shown in pictures.

Clutch may need replaced soon and handbrake cables need replaced, all reflected in the price.
