The presentation of this car is excellent. On the exterior body work we observe no evidence of heavy scores, scuffs or dents on any of the panels. In fact there is even minimal stone chipping to the frontal panel sections. We have touched in some chips on the OSR door edge upper section. The 19 dark anthracite grey non-OEM alloys are in superb condition - only the NSR alloy has at the faintest of curbing marks on the rim edge - you will have to look closely to observe this. The OSR and NSR tyres are brand new. The OSF and NSF tyres have 4.50-5/00mm tread. With tyre inflation kit. The interior is in equally superb presentation. We observe no signs of excess wear and tear on the ARTICO black leather upholstery. We observe no signs of heavy marks on the cabin trim panels or plastics. Non smokers car. The boot floor is fitted
