

## MINI HATCHBACK 135kW Cooper S Level 2 33kWh 3dr Auto | Jul 2020

# £14,200

Introducing the stunning and eco-friendly MINI Electric Hatch! This 2020 model is ready to hit the road and turn heads with its vibrant red exterior and sleek black roof and mirror caps. With only 35,000 miles on the clock, this hatchback is practically brand new and waiting for its next adventure. Step inside and prepare to be amazed by the modern and stylish interior. The Black Pearl Cloth-Leatherette seats in Carbon Black provide the perfect balance of comfort and sophistication. And with space for up to four passengers, you can bring your friends along for the ride. But the MINI Electric Hatch isn't just a pretty face. It comes equipped with the Navigation Pack, allowing you to easily navigate your way to any destination. And for added safety, the Driving Assistant Pack includes features such as lane departure warning and automatic emergency braking. Reverse parking has never been easier thanks to the Rear View Camera, giving you a clear view of what's behind you. And to add a little extra excitement to your drive, the MINI Excitement Pack offers ambient lighting and customizable interior mood lighting. But let's not forget about the real star of the show - the 17-inch Alloy Wheels in Cosmos Spoke Black. These not only add a touch of sportiness to the exterior, but also enhance the overall driving experience. So why wait? Come test drive the MINI Electric Hatch today and experience the perfect combination of style, technology, and eco-friendliness. Don't miss out on this opportunity, contact us now and make this MINI Electric Hatch your next ride
