2005 Audi TT 3.2 V6 Manual. 117,500 miles, this will increase as in daily use.

MOT to Feb 2025.

Have owned for 18 months, it's great to drive and handling is great with Quattro. Pulls in every gear and gear changes very smooth. 4x Bridgestone Turanza tyres fitted in August. New front subframe. Bilstein rear springs & Bilstein B3 shocks fitted in March 2023. Ignition coils replaced with Bosch along with service of all usual bits, Bosch spark plugs, cabin and air filter, fuel filter, oil change and filter. Thermostat & AUX fan replaced as preventative maintenance. New alternator last year.

Both front wings were replaced by previous owner.

Split leather/alcantara interior showing some wear that's expected with age but over all good condition. Factory fitted Bose radio, Bose speakers & 6 CD changer.

Very original car with no mods, stock exhaust.

Bad bits - front head lights need a polish and A/C needs re gassed. Some minor scuffs to body work as expected for 19 year old car
