The 2021 Ford Fiesta 1.0 EcoBoost 95 ST-Line Edition 5-door is a dynamic and stylish variant of Ford's popular supermini, specifically designed to provide an engaging driving experience, excellent fuel economy, and an array of modern features. **Engine and Performance:** The heart of this Fiesta model is the 1.0-liter EcoBoost petrol engine, known for its innovative turbocharging technology and efficiency. This three-cylinder engine delivers 95 horsepower (70 kW) and 170 Nm of torque, providing a lively performance suited for both city driving and longer journeys. The car's lightweight construction enhances agility, while the 6-speed manual transmission offers precise gear changes, giving drivers a more connected and enjoyable driving experience. The EcoBoost engine employs cylinder deactivation technology to maximize fuel efficiency by automatically shutting down one cylinder when less power is required, reducing fuel consumption without compromising performance. **Fuel Efficiency:** The 1.0 EcoBoost engine is renowned for its excellent fuel economy and low emissions. With a combined fuel consumption of around 52.3 mpg (WLTP), this Fiesta variant is designed to minimize running costs, making it a smart choice for environmentally conscious drivers. Its CO2 emissions are relatively low, at approximately 119 g/km, which is beneficial for both ecological reasons and lower taxation in many regions. **Exterior and Interior Design:** The ST-Line Edition comes with a distinctive exterior design that reflects its sporty character. It features a more aggressive front grille, unique ST-Line badging, and a lower, sportier suspension setup, giving it a dynamic stance on the road. The 17-inch alloy wheels, rear spoiler, and unique ST-Line body styling kit further
