2013 AUDI A8 3.0 TDI SPORT EXECUTIVE AUTO, FSH , 44- 55
MPG

I have for sale my personal car, a one of a kind and a real head turner (not many of these on the road!). This car purrs This is a 2013 Audi A8 3.0 TDI SE Exec Automatic in graphite grey with graphite grey full leather interior . It has full Audi service history except for one which was done from an independent well respected garage.

It is in excellent condition for it's age probably one of the best examples out there. Internally and externally the car is in absolutely excellent condition considering the age of the car. There is one tiny scrape on bumper .

I have had this for 2 years .Recently my partner has had it and she loves it . It does 45 - 55 mpg for her , and has full parking sensors / cameras all round ;-)

The car drives faultless, this is luxury at its best . The engine, gearbox, clutch have no problems, pulls smoothly into gears, quiet engine. Everything works as it should.

I have always maintained this vehicle. Recent brake pads. Four brand new tyres just put on . Car comes with a 10 months MOT till Jun 25.

Since my ownership this vehicle has mainly been driven motorway miles. We have really enjoyed driving this car, only selling due to this being an extra.

The car is based in Enniskillen

Inspection/ trial most welcome .
