For sale is my 2011 Renaultsport Megane RS250, MOT until July 2025, 100,340 miles (will rise slightly), when I purchased the car in September 2023 it had just been serviced and a new clutch fitted (no paperwork). New Timing belt & water pump fitted along with nsf swivel joint and two new suspension arms in September 2023 (have invoices), wheels refurbed and alignment done at the start of the year. Spec for car as follows.

Standard chassis

RS Monitor

Heated front seats

Visibility pack (xenon lights, drls & auto fold mirrors)

Capsicum red

Renault ID anthracite exterior pack

Front & rear parking sensors

Cruise control

Modifications include h&r lowering springs, RS performance panel filter & ktec centre silencer delete kit. The car drives great and is a great hot hatch, bodywork is overall in good condition but has a few age related marks and dents. would make a great cheap bit of fun or a good start for a track day project, sadly with a baby 3 dr isn't overly practical and it's just not getting the use.

£5750 ono, no swaps or px, phone in evenings or WhatsApp
