

**MINI Hatch 1.6 Cooper 3dr | Jan 2006**  
**LOW MILEAGE, LOOKED AFTER.**

**£3,800**

I have owned this iconic car since 2016 one have only put about 4000 miles on it. This mini has been well looked after and taken care of. New parts installed include, exhaust back box, power steering pump, water pump & a new radiator. Classic nippy wee car that I've thoroughly enjoyed driving. Reason for selling is I finally need something bigger. Comes with two keys & history.
