 Imported from Japan 09/22 to Newcastle, England by BHP Imports. Purchased by myself and brought to Northern Ireland. Updated dash, installed professional when imported. Tax reduced due to import (Private Light Goods (PLG) tax class). Full Service history from Japan and serviced at interval in Northern Ireland.

Features: Reversing Camera, Reversing sensors, Blind spot indicators, Active cruise control, Lane detection, Heated seats, dual climate zones.

Great car and sad to see it go. Selling due to needing something smaller for about Belfast.

No rust - A few scratches and dents as expected with age but all pictured.

MOT due 10/08/25 (passed no advisories)
