£18,999

NI REG

This Škoda Enyaq 150kW 80 Loft, with 57,913 miles, is an impressive electric vehicle that offers both style and functionality. The car is in good condition, demonstrating a well-maintained exterior and interior. The bodywork is free from significant scratches or dents, and the interior remains in excellent shape with high-quality materials showing minimal wear. In summary, this Škoda Enyaq 150kW 80 Loft offers a reliable and stylish option for those interested in electric vehicles. The car is well-maintained and provides a good balance of performance and range. A pre-sale inspection is recommended to verify its condition, and a thorough cleaning will enhance its presentation. Ensuring that all service records and owner manuals are available will offer the next owner a complete understanding of the vehicle's history
