<b>Engine Power BHP:</b>	103.3BHP

Mk 7 Golf 1.6 TDi Bluemotion Tech. Really nice colour Metallic Pacific Blue which was a £500 option when new & drives perfectly. It's got Mot to April 2025 & has Tax to August 2025(Tax is free)Low Group Insurance so an excellent choice for a young driver. Being the Bluemotion it's incredibly easy on fuel. Timing Belt replaced with a full GATES Timing Belt kit to include water pump & tensioners and new timing belt. It's got DAB radio & has the VW Infotainment system touchscreen as well. Miles can be verified on the DVLA website and old Mot's are here anyways. Two Owners and current owner from 2018. Tyres and brakes are really good. Given it's age there's the odd scratch

and that on it, I can record a video and send to anyone who wants a closer look before they travel. Mechanically it's driving 100%. Would like to mention though that it's got a crack on passengers side of windscreen (this could be claimed through Insurance if you've windscreen cover) Alternatively Autoglass are £269 for a new windscreen. I've priced car to allow for a new screen should someone wish to have one fitted. Happy to take more photos or record a video.

Price reduced, car no longer required - cheapest Mk7 1.6 TDi online.
