FANTASTIC SPEC

The BMW X1 sDrive 18i M Sport is a stylish and compact SUV that combines BMW's renowned driving dynamics with the practicality of an everyday vehicle. This model, with its sporty M Sport trim, low mileage of 23,777 miles, and a 1.5L petrol engine producing 136 hp, offers a great balance of style, performance, and efficiency. Exterior Design The M Sport trim enhances the X1's appearance with a more aggressive and athletic look compared to the standard model. The 18-inch alloy wheels, distinctive M Sport body kit, and chrome accents give it a dynamic presence on the road. The exterior condition is generally excellent, with the low mileage suggesting minimal wear and tear, although a close inspection for minor cosmetic imperfections such as scratches or stone chips is advisable. Interior and Comfort Inside, the X1 M Sport stands out with a driver-focused cockpit featuring high-quality materials, including leather sport seats, an M Sport steering wheel, and aluminum trim accents. The interior shows little sign of wear, thanks to the relatively low mileage. It offers a comfortable driving position with supportive seating, and the rear seats provide ample space for passengers, making it a versatile choice for families or those who need extra cargo room
