We've got thousands of new and used vehicles

Customer Care
We've got over 70,000 positive reviews

The Volkswagen Polo 1.0 EVO SE is a practical and efficient choice, particularly for those who value reliability and economy in a small car. With 38,276 miles on the clock, this particular model shows moderate mileage for its age, indicating it has been used regularly but not excessively. The 1.0 EVO engine offers a balanced combination of fuel efficiency and adequate power for city driving and occasional longer journeys. Overall, this vehicle presents itself as a solid, reliable option for those seeking a well-rounded small hatchback that provides good value for everyday commuting and occasional trips
