

Ford Kuga 1.5 EcoBoost 120 Zetec 5Dr 2Wd | Nov 2018 ECOBOOST, SUV

£11,499

The 2018 Ford Kuga 1.5 EcoBoost 120 Zetec 5dr 2WD is a versatile and practical compact SUV that combines efficiency, comfort, and modern technology. Below are its key points:

- Efficient 1.5L EcoBoost Engine** The 1.5-liter EcoBoost engine delivers 120 horsepower, offering a good blend of fuel efficiency and performance. It's designed to provide strong acceleration while keeping fuel consumption low, ideal for both city driving and long trips.
- Spacious and Versatile Interior** The Kuga provides a spacious cabin with ample headroom and legroom for both front and rear passengers. The versatile seating allows for easy adjustment, and the rear seats fold flat for a large, practical cargo area.
- Modern Infotainment System** Equipped with Ford's SYNC 3 system, which includes a touchscreen, voice control, DAB radio, and smartphone integration (Apple CarPlay and Android Auto), the Kuga keeps you connected on the go.
- Stylish and Practical Exterior Design** The Kuga combines sharp, modern lines with a bold front grille and practical SUV proportions. Its elevated ride height offers better road visibility, and the sleek design adds a touch of elegance to this versatile family SUV.
- Two-Wheel Drive for Efficiency** The 2WD system helps keep the Kuga more fuel-efficient compared to 4WD models, making it a great choice for urban and highway driving where four-wheel drive isn't always needed.
- Zetec Trim Features** The Zetec trim offers a great balance of essential features at an affordable price. This includes 16-inch alloy wheels, rear parking sensors, a leather-trimmed steering wheel, and automatic headlights.
- Comfortable Ride and Handling** The Kuga is praised for its refined suspension, delivering a smooth and comfortable ride on both urban streets and highways. Its precise steering and responsive handling make it feel more like a
